

## ATTENTION STUDENTS

Would you like to win an all-expense Paid Trip to Kenosha Wisconsin?? Are you a 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grade high school student? Do you want a chance to win scholarships to pursue your college education? If you answered “yes” to those questions, well this is your chance to do just that.

Join with other students from Washington/Idaho and HELP educate 4-9 year olds through “Kids Talks”. “Kids Talks” are short 10 – 15 minute presentations given by you to a group of 4-9 year olds. The topics of discussion are endless, ranging from health and nutrition, internet safety, fire safety and self-esteem - just to name a few.

When you have completed your minimum of three Kids Talks, compile them into written and visual reports ready to turn in by the February 25<sup>th</sup> deadline. It’s that easy! You will also be competing for one of five scholarships that Moose International awards annually. A \$12,000, \$8,000, \$5,000, \$3,000 or \$2,000 scholarship could be yours to help with your college expenses.

As a “BONUS” if you are chosen from the participants from Washington/Idaho to represent our state at the International level, you will receive an additional \$1,000 scholarship from the Washington State Northern Idaho Moose Association. If you are interested then join us **November 5<sup>th</sup> at 10 am**

Kennewick #482

2617 W Sylvester St

Pasco, WA 99301
